Commissioner for Patents

The amendment document filed on 11/22/2004 is not compliant with the requirements of 37 CFR 1.121. In the "Listing of Claims" section, the currently amended claims do not include proper markings showing changes to the claims relative to the immediate prior version. For example, the word "dichroic" on line 2 of Claim 1 should be underlined because it was not present in the prior version of the claims (i.e., the original claims). The word "polarizer" on line 2 of Claim 8 should be underlined because it was not present in the prior version. Additionally, the strikethroughs in Claim 8 do not correspond to words or phrases that were originally present in the prior version of the claim. Applicant is given a time period of ONE MONTH to re-submit the corrected "Listing of Claims" section of the amendment to avoid abandonment.
